Merchants Information Solutions Adds Long Time National Sales Executive to Management Team

Jim Collins Brings Significant Sales & Marketing Expertise in Background Screening Industry

PHOENIX, Arizona (October 12, 2009,) – Merchants Information Solutions has named Jim Collins as their new Vice President of Sales & Marketing. Collins has over 20 years experience overseeing the Sales and Marketing functions for some of the largest Background Screening Companies in the country.

Recently, Collins was President of HRPlus Screening Services, a division of AlliedBarton. Prior to that he served as President of the Commercial Services Division of USIS and before that he was the Vice President of Sales & Marketing for ChoicePoint, Inc.

“We are very pleased to have someone of Jim’s professional stature join our management team”, said Russ Johnson, President & CEO of Merchants. “His industry expertise and proven sales management abilities strengthen our team as well as position us for rapid future growth.”
