Merchants Information acquires background check
company
October 19, 2006.

Merchants Information Solutions Inc. has completed its acquisition of **Personnel Profiles Employment Screening Inc.**

Founded in 1997, Mesa-based Personnel Profiles specializes in providing background screening services. The move further positions Merchants as a provider of business information products, including employment screening, resident screening, identity theft management, consumer and business credit, mortgage reporting, and collections, officials from the Phoenix company said Thursday.

Personal Profiles' background checks are reviewed by licensed private investigators with the results provided in a color-coded report.

Financial details were not released. For more: **www.merchantsinfo.com**.
